CONFERENCE
2015

20 – 22 MAY • GALLAGHER CONVENTION CENTRE • www.indutechconference.org.za

ABOUT THE CONFERENCE

The inaugural INDUTECH Conference, 20 – 22 May 2015, will provide structure within which interest groups can focus on topics of specific interest, or debate policy that affects the broader South African industrial landscape.

INDUTECH is traditionally endorsed and supported by 40 leading professional associations and industry bodies which are widely representative of South African industry. The conference structure will also support sector-specific workshops and sessions proposed and developed by the endorsing associations.

Conference registration is separate to exhibition entry and not included in this ticket.

PROGRAMME HIGHLIGHTS: The conference programme of plenary and concurrent sessions is designed to teach practical lessons, stimulate dialogue, exchange expertise and develop solutions to critical issues for industry in South Africa. Topics under development include industrial and manufacturing competitiveness; political risk and governance; international competition; regionalism and localism; financing; infrastructural limitations; transformation; regulatory issues; and sustainability.

INDUTECH is traditionally endorsed and supported by the following leading industry bodies:
